Job Summary

Cares for patients in the hospital under the direction of the nursing staff through the performance of the following duties:

- Promptly answers call lights to determine patients' needs.
- Accepts assignments and direction from the RN.
- Performs or assists with patients' daily personal hygiene needs including bathing, dressing/undressing, oral hygiene, hair care, shaving, etc.
- Assures change of linen daily (at least) and as needed.
- Prepares patients for meals; assists in setting up food trays and feeds patients who require assistance.
- Collects trays at meal completion.
- Transports patients; assists with ambulation, assists with transfer to commode, chair, bathroom, etc.
- Collects specimens as directed.
- Measures and documents intake and output.
- Performs HS cares including passing clean towels and wash cloths, providing back rub, oral hygiene, and personal hygiene assistance as needed.
- Runs errands, directs visitors, and answers telephone as directed.
- Takes and records patient weight, temperature, pulse, respiratory rate and blood pressure.
- Obtains glucometer readings (blood glucose) as directed.
- Checks ED for cleanliness and supplies; cleans and restocks as needed. Soaks and washes utensils, commodes, etc.
- Cleans and disinfects IV pumps, poles, wheel chairs, COWS, VS monitors and other equipment.
- Cleans shelves/cupboards with disinfectant (utility rooms, ED, nursing station, supply rooms).
- Assists with admission, discharge and transfer of patients as directed by the RN.
- Complies with all federal and state regulatory requirements to maintain certification and active registry as CNA required, including 12 CEU's annually and participation in mandatory in-service, and any departmental education.
- All other duties as assigned.

About the Position

- Casual (Usually less than 40 hours per 80 hour pay period.)
- Days, Afternoons, and Evenings
- On-Site at Bigfork Valley

Qualifications

- High School Diploma or GED preferred but not required.
- CNA certificate required or enrollment in CNA classes for continued employment.
- CPR certification preferred

*The hourly wage for this position is \$18.91/hour to \$24.39/hour, with a median wage of \$21.65/hour. It is not typical for an individual to be hired at or near the top of the range for their role. Compensation decisions are dependent on the facts and circumstance of each case and on several factors including relevant work experience, education, certification & licensure, and internal equity. Hourly pay is just one part of the compensation package for employees.
